INTERNATIONAL CONFERENCE — MARCH 1-3
Vedic Science and Modern Science
Knowledge and Technology for the Practical Benefit of Everyone, Everywhere
Inauguration March 1, Nepal Pragya Bhawan • Seminar March 2-3, Rastriya Sabhagriha • Kathmandu, Nepal

CONFERENCE THEME
This international conference will examine, based on recent discoveries in Modern Science, how the Vedic principles of life can be awakened and applied in every area of society for the benefit of humanity and our planet. Vedic Science and Modern Science together can re-establish life in harmony with Nature Law—a Vedic civilization.

CONFERENCE SPEAKERS
Vedic Scholars and renown Scientists from around the world will illuminate how Vedic Technologies can be applied for the benefit of human life on the basis of scientific reality.
